## A Children's Hospice is Serious Business!

Let your business become a part of our history and be a 99er!

## So what's being a 99er all about?

We have launched our 99er membership scheme. We're looking for big hearted businesses to become our founding 99ers, companies who will commit to donating just 99p a day to the Forget Me Not Children's Hospice, helping us to put smiles on the faces of children and families who, for many reasons, have very little to smile about, during this most difficult of times.

Becoming a member of our 99er initiative will provide positive publicity for your company and your regular monthly donation will help to provide a sustainable source of income for the hospice, helping us to achieve our annual fundraising target of £2.5 million.

We have a proud history of working closely with businesses ranging from sole traders to multi-million pound companies. Support from all types of local businesses can help to make a real difference to the lives of the local children, young people and families who rely on The Forget Me Not Children's Hospice.

## How you can get down to business – For 99p per day

To become a Forget Me Not Children's Hospice 99er all you have to do is make a regular monthly donation of £30.00 (minimum period of 12 months).

Benefits of being a Forget Me Not Children's Hospice 99er Member.

- Inclusion of your company logo on The Forget Me Not Children's Hospice 99er page of our website along with a link to your own website

- Public recognition for having a supportive association with a highly regarded local charity
- Encouraging staff to work together to achieve a common goal therefore improving staff morale
- Helping to fulfill its corporate social responsibility requirements
- Demonstration of your on-going and long term commitment to The Forget Me Not Children's Hospice.
